

## ALGEBRA PLACEMENT PREREQUISITES

For placement purposes, **WSU Math Placement, ACT, and SAT scores are NOT valid after 3 years.**

**Placement scores from other universities/Colleges can NOT be used to satisfy WSU Placement Exam prerequisite.**

- 012 Intermediate Algebra:** This course may be taken in place of 2<sup>nd</sup> year high school algebra.  
**Student must meet one of the following criteria to enroll in Math 012.**
1. Math Placement score 0-13                   **AND**                   1 year of high school algebra.
  2. ACT Math score 18-19                   **AND**                   1 year of high school algebra.
  3. SAT Math score 480-500               **AND**                   1 year of high school algebra.
  4. Credit (CR) in Math 011 at WSU.

- 013/111 College Alg Supplement:** **Must enroll in corresponding section of Math 111**
1. Math Placement score 14-17           **AND**                   1 year of high school algebra.

- 111 College Algebra:**                   **Student must meet one of the following criteria to enroll in Math 111 or 131.**
- 131 Contemporary Math**
1. Math Placement score 18 or above   **AND**                   2 years of high school algebra.
  2. ACT Math score 20 or above           **AND**                   2 years of high school algebra.
  3. SAT Math score 510 or above         **AND**                   2 years of high school algebra.
  4. Credit (CR) in Math 012 at WSU.

\*\*All transfer students with credit in INTERMEDIATE ALGEBRA from another university must take a Math Placement Exam or talk to Dr Brady

**ADVISING: Dr Brady** 316-978-3966 - All Algebra

PLACEMENT	
SCORE	COURSE
0-13	MATH 012
14-17	MATH 013/111
18 or above	MATH 111, 112, 123, 131
