

Honors Thesis Submission

All work submitted as an Honors thesis project must be accompanied by the Honors Thesis Evaluation signed by the supervisor, and, if required by the thesis supervisor, additional faculty advisors. The thesis cover sheet provides written certification from the supervisor stating that the thesis meets the standards and expectations established by the supervisor and agreed upon by the student. Submit a scanned copy of this form and an electronic copy of your thesis to honors@wichita.edu. For more information about submission dates, go to https://www.wichita.edu/academics/honors_college/withdistinction/HonorsBaccalaureate.php

The Honors Dean's Office submits the final certification to the Registrar's Office for Honors Baccalaureate students.
