WSU Transfer Students Should Remember:

Some academic colleges at WSU have an additional higher transfer GPA requirement for admission. Visit https://www.wichita.edu/admissions/ undergraduate/ga.php

WSU Transfer Credit Acceptance It is the policy of WSU to accept all credits - with the exception of remedial coursework - earned at a postsecondary institution accredited by one of the U.Ś. regional accrediting agencies. Each academic college or department within WSU determines how those credits apply toward a particular degree program. Sometimes there can be a significant difference between what transfers and what counts toward a degree, especially if the courses are vocational in nature.

Graduation Requirements To qualify for graduation with a WSU bachelor's degree, transfer students must meet certain requirements such as course credit hours, levels, GPA, and residency. Transfer students should visit the following page to familiarize themselves with all requirements: http://catalog.wichita.edu/undergradu ate/academicinformation/graduation/
