

—

A screenshot of a mobile application's navigation menu. The menu is displayed as a vertical list of options on the left side of a screen. At the top of the menu is a dark grey header bar containing a yellow circle with the number '1', a plus sign followed by the word 'New', and a user profile icon with the name 'Wu Shock'. Below the header, the menu items are: 'New Expense Report' (with a blue wallet icon), 'New Pre-Approval Report' (with a document icon and a yellow question mark), and 'New Invoice' (with a blue envelope icon). The background of the screen behind the menu is partially visible, showing a colorful striped pattern.
