CREATING A TRAVEL EXPENSE REPORT -

Chrome River User Manual

Enter the Header data:

1. **Import Pre-Approval:** This feature populates many fields on the header and individual expense lines with values from the pre-approval. See the **CR0010 Import Pre-Approval Report** document for detailed information.
2. **Report Name:** This is the name assigned by the expense creator, which is used in tracking and inquiry to help identify expense reports. Naming Convention: Student Last Name, Student First Name, Dates of Travel
3. **Business Purpose:** Enter a clear, detailed business purpose for the travel event. The business purpose should explain: (1) what purpose the expenditure served, (2) why the expense was necessary, and (3) how it furthered the University's goals. See the **CR0027 9 (10) Oversight of the University's** document for more information.

Expense types are consolidated into categories displayed on expense tiles. Some expense tiles expand to provide additional expense options. Example: **Mileage** is located under **Ground Transportation**.

Select the specific expense tile you want to add to the Expense Report. Each expense selected will open in a form and require additional information. For detailed information on each Expense Tile, please see the **CR0019 Travel Expense Tile Detail** help document.

The screenshot shows the 'Airfare' expense tile form. The form includes the following fields and options:

- Date:** 04/01/2019
- Spent:** 0.00 USD
- Purpose:** A text input field.
- Description:** An optional text input field.
- Expense Charged:** A checkbox that is currently unchecked.
- Merchant:** An optional text input field.
- Funding:** A section with a search box and a dropdown menu. The search box contains the text: "Please type the funding you would like to search for in the box below. matching items will be displayed for selection." The dropdown menu shows "-- Select --".
- Attachments:** A section labeled "Attachments (0)".
