Reset your security password for Proxy Access.

Reset your security password

Your email address has been verified. The next step is to save your password for proxy access. Enter your new password. For higher security, use a combination of uppercase letters, lowercase letters and numbers.

Your email address and password must be entered twice. Fill in the fields below.

Email Address

Current Password

New Password

Validate Password

Enter your user name and password, then click Sign In to continue.

User name is the proxy's email address.

The screenshot shows a login interface with a 'Password' field on the left and a 'Username' field on the right. Below the fields is a 'Forgot Password' link. The footer contains the text: '© 2013 Ellucian Company L.P. and its affiliates. All rights reserved.' and '© 2013-2014 Ellucian Company L.P. and its affiliates. All rights reserved.' A large black redaction box covers the bottom portion of the page.
