

Final Exam Schedule for Spring 2024

Each full-semester course is assigned a slot in the final exam schedule based on the regular meeting day/time of the course. The final exam week includes the Saturday and Monday-Thursday after the last day of classes (fall and spring only). Exams offered during finals week must be held during the assigned day/time on the final exam scheduled for the class.

Find the usual start **time and meeting day(s)** for your class in the unshaded area of the table below. The **exam day** for that course can then be found at the top of that column, and the **exam time** is found in the extreme left-hand block on the same line. EXAMPLE: a course which usually meets at 9:30 MWF will have its exam on Monday, 9:00-10:50 am. A course which meets 8:00-9:15 TR, will have its exam on Tuesday, 7:00-8:50 am.

Ten-week or shorter classes will have their exam during the last (or last two) regularly scheduled class periods, at the discretion of the instructor. Second eight-week courses may hold their exams during finals week. Online course final exams may be administered at the discretion of the instructor but should still take place during finals week.

All courses/finals, including online, are subject to catalog policy requiring that students take **no more than 2 final exams in one day**. Students with conflicts due to this policy should work with the instructors involved to resolve.

NOTES:

- T = Tuesday; R = Thursday
