Q: Who can/should write the letter of recommendation?

Keep in mind the letter of recommendation is part of the Overall Impression score.

Q: How are candidates chosen for interviews?

A: There will be an initial screening of applications to determine which applicants will move on to the interview round. Take care to ensure that you submit materials in the requested formats and complete all required forms. Failure to do so is the primary reason candidates are removed from the process in the initial screening.
